Experience

Incubate Nepal	**Jun 2024- Aug 2024**

Incubate Nepal is an 8-week virtual program that connects students from all over Nepal to collaborate on open-ended projects.

- Played a crucial role in the development and design of an innovative language-learning app, focused on preserving and promoting Indigenous languages.
- I have assisted in transforming concepts into visually engaging and user-friendly interfaces, ensuring a seamless experience for users.
- Led efforts to bring indigenous languages to the digital forefront, making them accessible and relevant in today's tech-driven world.

Women Lead Nepal	**2024 May 5-10**

A non-governmental organization that provides women's leadership development training and advocacy in Nepal.

- Engaged in deep discussions on political topics, participated in workshops, and collaborated in group activities.
- Explored the current state of feminism, its intersection with politics, and the responsibilities of civic engagement
- Analyzed the complex relationship between media and politics, focusing on how they influence each other.
